SUN LOTION

- ☀ At home: Please put sun lotion on your child before sending him/her to camp in the morning.
- ☀ At camp: the teachers will be applying sun lotion to the children before going outdoors IN THE AFTERNOON ONLY.
- ☀ Because of the time involved in putting lotion on the children, and because of the risk of contamination and allergies with different types of lotions, we have found by experience that we cannot have individual bottles of sun lotion for each child.
- ☀ We use Personelle Children's Lotion SPF 50 which is recommended for daycare use for children over 6 months of age. This lotion provides UVA/UVB protection, is free of perfumes and PABA and is hypoallergenic. A complete list of ingredients is available on request.
- ☀ To partially cover the cost of the sun lotion parents are required to pay \$15.00 for their child whether the child attends part time or full time. (It is the same charge per child whether your child is attending only some days or the entire summer.)
- ☀ In order for us to be able to apply sun lotion to your child government regulations require us to have a signed permission form. If you would like the teachers to apply sun lotion to your child please complete the form below, and return it along with the required fee.
- ☀ If your child has extreme sensitivity to the sun or an allergy and requires a special lotion please advise the office.

I request that the teacher at Montessori apply sun lotion to my child in the afternoon before playing outdoors:
