Swimming Lesson Registration

For ages 3 and up – toilet trained

Swimming lessons will take place at the Pointe Claire Aquatic Centre indoor pool, in the 25-meter "teaching pool". The Aquatic Centre is located at the corner of Maywood and Douglas Shand roads. Transportation to the pool is by school bus. Swimming sessions are ten consecutive days (Monday to Fridays) for a total of two weeks each There is a half-hour-swimming lesson given by the pool's certified instructors, and a half-hour of very well supervised play in the wading pool (this playtime is supervised both by our teachers and the pool lifeguards). The children will be "in the water" from about 10:15 to 11:15 a.m. It is our experience that the children really enjoy swimming with their friends. This is also true for children who may have been hesitant to go into the water before. The instructors are very good at making the lesson fun, and the water is heated to a comfortable temperature. Registration is limited to a maximum of 30 children. Lessons may be cancelled if there is insufficient registration.

Cost is \$168.00 per session of 10 days.

MONTESSORI POINTE CLAIRE SUMMER CAMP

SUN LOTION

- * At home: Please put sun lotion on your child before sending him/her to camp in the morning.
- * At camp: the teachers will be applying sun lotion to the children before going outdoors IN THE AFTERNOON ONLY.
- * Because of the time involved in putting lotion on the children, and because of the risk of contamination and allergies with different types of lotions, we have found by experience that we cannot have individual bottles of sun lotion for each child.
- * We use Personelle Children's Lotion SPF 50 which is recommended for daycare use for children over 6 months of age. This lotion provides UVA/UVB protection, is free of perfumes and PABA and is hypoallergenic. A complete list of ingredients is available on request.
- * To partially cover the cost of the sun lotion parents are required to pay \$15.00 for their child whether the child attends part time or full time. (It is the <u>same charge per child</u> whether your child is attending only some days or the entire summer.)
- * In order for us to be able to apply sun lotion to your child government regulations require us to have a signed permission form. If you would like the teachers to apply sun lotion to your child please complete the form below, and return it along with the required fee.
- * If your child has extreme sensitivity to the sun or an allergy and requires a special lotion please advise the office.
