

Mini-Astronauts program

We are adventurous Mini-Astronauts. We look up at the sky and wonder. What is out there? Will I ever reach the stars?

After “Mini-Scientists” big success, I decided to come up with a new program. This spring, we will turn our focus to the sky! I believe that learning more about the planets and the universe reveals why the Earth is so precious. It is also a very humble adventure, as you look further and further in the sky, you realise how small you are and how big you can dream. I hope to bring the Mini-Astronauts on a journey that they will never forget!

I'm also happy to present to you my new project : L'Académie Happy Neuron! It is a social enterprise that aims to prepare today's children to be part of a prosperous and healthy humanity. I developp my new programs for Happy Neuron so they can be available for more children. They will always be offered to the Montessori Pointe-Claire children at a lower cost. The only thing that I ask is that by registering your child, you agree that the pictures will be posted on the Facebook page of the Académie. (<https://www.facebook.com/academiehappyneuron/>) and on the website (<http://happyneuron.ca/>). You will be able to see what your Mini-Astronauts has discover today, and it will help me grow my new endeavour.

Pascale, Leader Astronaut

The Mini-Astronauts adventure is one of explorations, mind blowing discoveries and ingenious creations.

The Mini Astronauts will:

- Look up! Learn how to use a telescope, observe the moon and familiarise themselves with constellations.
- Explore the planets of the solar system. Learn about their characteristics in a fun and engaging way.
- Feel and observe gravity and its effects on the universe.
- Get mind blown by the big bang and the scale of the universe!

The Mini-Astronauts program will be held on Wednesday mornings
(6 classes) on the following dates:

March 21, 28 April 4, 11, 18, 25

Each class last 3 hours, happens mostly outdoors, and is held by 2 teachers (aka Leader Astronaut!).

Places are limited to 16 students so please return your registration quickly to reserve your spot.

I wish to register my child (child's name) _____

For the Mini-Astronauts program from March 21 to April 25.

I understand that by registering to the Mini-Astronauts program I agree that the pictures of my child can be posted on <https://www.facebook.com/academiehappyneuron/> and <http://happyneuron.ca/>

I enclose \$75 ___ cash or ___ cheque (made to Montessori Pointe Claire)
