

Registration

Montessori Pointe Claire Summer Senior Camp for ages 6-8

Montessori Pointe Claire, 116 av Sunderland, Pointe Claire, Quebec H9R 1L2 Tel : 514-697-3792

Registration for our Senior Camp is by the week from June 26 to August 25, 2023. There are very limited places in our camp, so we encourage registration as early as possible.

Fees

Regular camp hours: 8:30am to 4:00pm

The cost per week for the regular day from 8:30am to 4:00 is \$325 per week and includes an excellent home cooked hot lunch. Campers bring their morning and afternoon snack (nut free). All activities (yoga, karate, music, science, Zumba, baking and sports) are included in the fees. There is an additional cost for excursions where a bus or entry fee is required (maximum one per week).

Extended hours:

7:00 to 8:30 am. The cost is an additional \$25.00 per week.

4:00 to 6:00 pm. The cost is an additional \$25.00 per week.

To register, the Registration Contract, as well as the form below must be completed and submitted with a deposit of \$325 which will go toward the LAST week of camp. To receive a refund of any fees, 4-weeks' notice is required. Payments are due the first day of each week and may be done by etransfer (etransfer@montessoripc.com), cheque, or cash.

A Relevé 24 (childcare fee tax receipt) will be issued in February for the total amount of the camp fees.

About Montessori Pointe Claire Senior Summer Camp

Our senior Montessori Camp was started in 2011 at the request of parents who were looking to place their Montessori graduates in a safe and age-appropriate camp, with the quality and care that they had been provided already at Montessori Pointe Claire. Our program has grown over the years and our campers come from all over the West Island to join our summer program. We have limited space for our senior campers, which allows for a quality program with a low child to supervisor ratio. Our staff are qualified educators who work with us year-round.

In charge of the Montessori senior camp programming this summer is Bianca Chabot, who has been working at Montessori Pointe Claire as a French teacher since 2020. Bianca is a graduate of McGill University with a BA in Psychology and is currently completing her Bachelor of Education in Elementary teaching at McGill.

Our senior counsellors are:

Haya Alzein is completing her final year in her Bachelor of Psychology at McGill University and has been an educator at Montessori since 2017.

Katrina Ward is a student in Interior Design at Lasalle College and has been an educator at Montessori since 2019

Sofia Gonzalez-Herrero is completing BEd Elementary Education at McGill University and has been an educator at Montessori since 2021.

Ryan Mitchell is a graduate of Concordia University, with his BA in Therapeutic Recreation, and has been an educator and sports specialist at Montessori since 2019.

Summer camp activities are planned to keep the children happy, active, and always engaged. There are group activities which promote social skills and allow the children to develop wonderful friendships. The children are treated with understanding and kindness. There is also plenty of time for free play on our large one-acre property, and in the parks withing easy walking distance of camp. We prefer to spend our days outdoors, whether it is karate or sports, or water play. However, we are most fortunate to have a building that is airconditioned so that we can come indoors for a bit to cool down if needed, and plenty of space to enjoy the indoor days if there is rain (we still go outdoors if it's a little wet but not in a downpour).

Our on-site chef at Montessori provides everyone with a healthy hot lunch that even our fussy eaters end up loving. Campers bring their morning and afternoon snack (nut free), and a water bottle. We also ask for a towel and bathing suit to stay in the child's cubby for our outdoor water play. We normally have access to the pool at Viking Park (across the street) for one or two afternoons of playing in the shallow area (no swimming is required) on hot days. There is a small additional cost for entry into Viking pool.

Excursions are planned for once a week. We travel by school bus or city bus. All trips are well supervised and very safe. Parents will sign a permission slip for each trip which gives all the pertinent information. There will be a field trip fee for those trips where we require a school bus and where there is an entry fee.

Our camp counsellors are ready to give everyone the personal attention they need. You are welcome to meet with our camp counsellors before camp starts if you wish to have an introductory visit.
